These are all complete lunches, and are priced per person for 25 pp or more.

Hot lunches include salad, vegetable choice (brown rice, black-eyed peas, or snap beans) and rolls. Sandwiches include chips. All of the necessary paper goods are included—ice, lemons for the tea, everything you need.

Iced tea and delivery are still free when ordering for 25 people or more. When ordering for fewer than 25 people, iced tea is 4.95/gallon, and a delivery fee will be added to the bill or incorporated into the price per person, whichever you prefer. Generally we are unable to deliver lunch for fewer than 15 people, but please call us if your need is urgent as we are often still able to help.

***Please call us for your office catering needs. We look forward to serving you.***
